Upper division tuition and fees will be charged for upper division courses. For students taking both upper and lower division courses in the same quarter: - Generally, colleges must charge lower division tuition and fees for lower division courses and upper division tuition and fees for upper division courses. However, in those instances where the upper and lower division credit combination would result in the student paying more than he or she would if paying for all credits based on the upper division schedule, the college must charge tuition and fees for both upper and lower division credits based on the upper division tuition and fee schedule. (See SBCTC Policy 5.80.3.b.)

A calculator has been developed to assist colleges in determining how much tuition to charge a student taking both upper and lower division courses. The 2017-18 BAS Tuition Calculator has been posted to the State Board website at:

<http://www.sbctc.edu/colleges-staff/collegeaccess/baccalaureate-tuition-calculator.aspx>

## Community Colleges of Spokane Tuition Schedules for 2017-18

Refunds of tuition and fees: 100% refunded if the student withdraws before the sixth day of instruction; 50% refund if the student withdraws on sixth day of instruction to the twentieth calendar day. Some fees are non-refundable; see the fee schedule for further information. Refund dates for classes which do not follow the regular college calendar are proportional to the length of a standard quarter.

Tuition and Fees as defined by the Washington Legislature includes operating fees, building fees, and student services and activities fees. Colleges may add additional administrative and class fees.

CCS charges certain mandatory fees in addition to tuition. These include:

Registration Fee	\$20.00 per quarter
Student-voted Technology Fee	\$4.00 per credit up to \$40 per quarter
Student-voted Comprehensive Fee	\$40.00 per quarter
Student-voted SFCC Gym Renovation Fee (SFCC only)	\$8.65 per credit
