

**NEWTEC**

ARTICULATION AGREEMENT

College Program: Accounting

CIP 52.0302

Career Pathway: Business Financial Management & Accounting

Career Cluster: Business, Management & Administration

The purpose of this agreement is to grant college credit to high school students who have achieved the level of knowledge and skill required for the college-equivalent entry-level course(s) identified in this agreement. Upon successful completion of the identified course competencies with a grade of 'B' (3.0) or higher and the high school teacher's endorsement that the competency requirements have been met, articulated credit will be granted.

The following **Spokane Community College, Accounting** course(s) have been approved for Tech Prep articulation with **Central Valley School District** high school course(s) as listed below:

High Schools	College Courses	Credits
Central Valley HS and University HS	SCC	
Accounting 1 (CIP 520301)	ACCT 151 College Accounting I	5
Accounting 1 and 2 (1 year) (CIP 520301)	ACCT 152 College Accounting II	5

**see attached list(s) of competencies for articulated courses*

Student Articulation Procedure:

1. Be enrolled in the required high school class.
2. Register for Tech Prep/Dual Credit articulated course during the same academic year the high school class is completed. If a series of courses are involved in the articulation, students register for credit during the same academic year the last course in the series is completed.
3. Earn a grade of 'B' (3.0) or better in all courses required under the articulation agreement.
4. Complete all required skills as identified on the competency profile.
5. If an exam or review of completed work is required under the terms of this agreement, students must receive a passing score (determined by college or industry certification) to earn college credit (*see competency list for requirements*).
6. Within seven years of completing the articulated class, enroll at SCC or SFCC and submit the SERS Tech Prep Registration Confirmation to the Transcript Office. Articulation requirements will be reviewed and verified by the appropriate office or department. Credit will be awarded to qualifying students.

High School Instructors:

1. Ensure all students receive a copy of the course syllabus outlining information about Tech Prep, the college course competencies and the process required to earn college credit.
2. Hold students accountable for the same competency standard and course expectations as required by the college-equivalent course (*see competency list attached*).
3. Ensure students are prepared for, and pass a final exam provided by SCC with a 75% or better to measure their level of skill and competence in the coursework.
4. Submit final grades for all students registered to earn Tech Prep college credit no later than June of the current academic year. Submit student registration sheets to: Tech Prep Director MS 1002; Community Colleges of Spokane; PO Box 6000; Spokane WA 99217-6000.
5. Attend scheduled meetings, workshops or in-service activities that enhance the high school/college partnership & support implementation of the Tech Prep articulated program.

Articulation Review and Renewal:

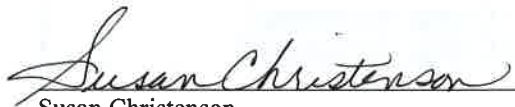

The designated program facilitators, college administrators and/or instructors and high school faculty will meet regularly to revise or discuss the articulation agreement. Agreements must be reviewed/updated and re-signed by college faculty/deans and CTE directors/HS teachers on a schedule, not to exceed a three (3) year rotation, or as deemed necessary due to changes in HS/college course content or structure. Individual

teacher verification forms must be signed and submitted annually. Minor revisions can be made via phone calls, correspondence or email.

Accounting

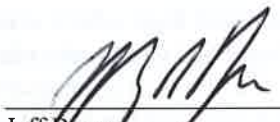

PARTICIPATING INSTITUTIONS
Central Valley School District and Spokane Community College

We the undersigned representatives of the Northeast Washington Technical Education Consortium (NEWTEC), agree to all provisions of the articulation program/course agreement, have reviewed the course competencies, and understand the process to which students may be granted college credit through the Tech Prep program. We commit staff time and resources to ensure successful program implementation.
