

COMMUNITY COLLEGES OF SPOKANE
Tuition and Fee Schedule - 2014-15 Academic Year

**ADMINISTRATIVE AND LAB AND COURSE FEES FOR
RUNNING START AND RUNNING START LOW
INCOME WAIVER STUDENTS**

Tuition for Running Start Students

Beginning in the 2011-12 School year, a new state law reduced the reimbursement rates for High School and College enrollment from 2 full-time equivalents (1 full FTES each) to 1.2 FTES combined (a maximum of 15 college credits, with no entity permitted more than 1 FTES). Colleges must now charge Running Start students for unreimbursed credits beginning at the first credit of the 1-10 credit rate.

Tenth Credit Waiver

A waiver of the 10th credit (tuition only, not fees) is available for students who (a) according to their HS Enrollment Verification Form are eligible for exactly 9 RS tuition-free colleges credits and who (b) enroll for exactly 10 college credits. The Financial Aid Program Code of W8A will be applied. This waiver is only for tuition.

Low Income Waiver

Running Start students who provide a copy of their school's Nutrition Services letter showing they have qualified for free or reduced price lunches within the last five years will receive a low income waiver of most fees, except those noted below. They are also eligible for a waiver on college credits that are RS eligible; they must pay tuition and fees for all non-RS credits.

Fees for Running Start Students

Beginning in Fall 2009, state law directed Running Start students to pay mandatory fees unless provided a low-income waiver. Running Start students will be charged administrative and lab and course fees at the same rate as resident students, except as outlined below.
