AWARD TERMS AND CONDITIONS

The financial aid award offer is subject to the availability of funds and the Department of Education, Washington Student Achievement Council and Community Colleges of Spokane reserve the right to withdraw, reduce or modify grant aid, work study and loans due to funding limitations and/or failing to meet financial aid eligibility requirements.

To avoid delays in funding and ensure accurate financial aid refund disbursements, you should make every effort to finalize your class schedule two weeks before the quarter start date.

The financial aid award offer is based on full-time enrollment. Awards will be adjusted based on actual credit enrollment census day:

Enrollment	Credits on Census Day	Financial Aid
Full-Time	12 or more credits	100% of the award
Three-quarter time	9 to 11 credits	75% of the award
Half-time	6 to 8 credits	50% of the award
Less than half-time	1 to 5 credits	Limited financial aid, Pell and State Need Grant only

Adding and dropping classes *prior* to the census date may change your award eligibility and affect future financial aid eligibility. Enrollment levels will not be adjusted for classes added after the census date.

If you enroll in a class but do not attend, the Financial Aid Office will consider this an unofficial withdrawal and may bill you for the aid you were not eligible to receive.

If you unofficially or officially withdraw from classes prior to the 60% point in time of the quarter, you may owe part or all of the aid you received back to the financial aid programs.

FINANCIAL AID AWARD DEFINITIONS AND ELIGIBILITY REQUIREMENTS
