FOR SFCC STUDENTS ONLY

Second year student status for students with transfer credits

If you believe you are a second year student and 1) want to include transfer credits OR 2) have changed programs multiple times at SFCC, go to the SFCC web site above and complete a second year certification.

10. Satisfactory Academic Progress

I have read the CCS Satisfactory Academic Progress Policy and I understand that my continued financial aid eligibility will be contingent upon maintaining satisfactory academic progress each quarter of enrollment. I understand that this policy applies to ALL periods of enrollment whether or not I previously received financial and that it applies to all transfer credits.

11. Financial Aid Refunds

CCS has partnered with Higher One (financial services company) to provide students with faster financial aid refund services and offer more choices. When students turn all required documents in to the Financial Aid office, the MyBigfoot card with activation instructions will be ordered through Higher One to be mailed to the students' address on file with the admissions office. If you do not receive your card within 2-3 weeks after turning in ALL required documents, please contact your school's Financial Aid Office.

12. Student Authorizations

I authorize SCC and/or SFCC to use the financial aid awarded to me to pay tuition and fees associated with my registration. Additionally, I also authorize the payment of other discretionary fees.

I authorize SCC and SFCC to use post withdrawal disbursements (Federal Title IV funds earned but not received at the time of withdrawal) to pay for current outstanding discretionary fees and minor prior year charges.

I authorize SCC and SFCC to use post withdrawal disbursements to pay down my outstanding Federal Title IV education loan balance.

I understand that I may contact the financial aid office to modify or rescind any or all authorizations listed above. If I rescind an authorization, funds will be disbursed directly to me or my parent(s) and I will be obligated to pay all debts owed to SCC and SFCC. I understand that outstanding debt obligations will prevent me from future SCC and SFCC registration and release of official SCC and SFCC transcripts.

13. Certification

By signing below, I understand the above outlined Student Authorizations. I declare that the information submitted is true and complete to the best of my knowledge. I give the CCS Financial Aid Office(s) permission to release, request and/or verify information to agencies in order to secure funds for financing my education.
