PROGRAM OVERVIEW AND OPPORTUNITY GRANT APPLICATION PROCESS

The Opportunity Grant provides educational access and support for low-income adults to progress further and faster along demand career pathways. This allows students previously underserved by traditional student support services to successfully ascend career ladders in the following fields. Are you currently enrolled in any of the following programs?

Spokane Community College (SCC)

- | | | |
|---|--|---|
| <input type="checkbox"/> Automotive Technology | <input type="checkbox"/> Healthcare – LPN, RN, Medical Sonography, Medical Assistant, Radiology Technician, Health Information Technician, Respiratory Care, EMT, Paramedic, Pharmacy Technician, Health Unit Coordinator, Surgical Technician, Cardiovascular Technician, Vascular Technician | <input type="checkbox"/> Hydraulics/Pneumatics |

For qualified participating students, the Opportunity Grant *may* cover a significant portion of educational need including: tuition, fees, books and supplies. Grant funds *may* also be available to cover **one-time only** emergency expenses such as child care and transportation. Opportunity Grant students are required to attend personal and professional development workshops in subjects such as financial management and test-taking strategies.

AUTHORIZATION FOR RELEASE OF INFORMATION

We adhere to FERPA regulations regarding the privacy of student information. The information you give us is confidential. We will share it with our WorkSource partners in order to give you access to employment and training services. Partners typically include Employment Security, the Department of Social and Health Services, the Division of Vocational Rehabilitation, Community Colleges of Spokane, and others. Your signature authorizes this release of information and certifies that the above information, including college academic status and class attendance, is true and correct to the best of your knowledge. Your signature also indicates your acceptance of available Workforce Education funding. Future Workforce Education funding is contingent on satisfactory academic progress and continued eligibility.
