

# COMMUNITY COLLEGES OF SPOKANE ARTICULATION AGREEMENT

## Exploring Teaching Spokane Falls Community College and Teaching Academy Chelan High School

---

### WHO IS ELIGIBLE?

Any student who has attended an articulated high school program where there is a signed agreement with Community Colleges of Spokane may receive college credit for instruction received at the high school.

---

### PROCEDURES

#### CCS and High School Faculty

CCS faculty and high school faculty will partner to identify competencies and/or critical objectives a student will need to successfully transition into the professional/technical program(s) being articulated.

Instructional faculty within the two educational systems will determine whether similarities in educational experiences provided to students in the two systems result in duplication of required competencies as described above. Where duplication of competencies is evident, an attempt will be made to enter into an articulation agreement.

#### High School Instructor's Documentation of Competencies

Participating faculty at the high school will certify in writing the areas and levels of competency achievement by the student. This will become part of the student's permanent record and will be forwarded to the college upon request by the student and/or the college.

## **Student Documentation of Competencies**

Students must secure the written certification of their teachers that they have accomplished competencies and/or critical objectives that comprise the agreed-upon articulation minimum course content for every CCS course for which they desire college credit. College credit will be granted only for those CCS courses listed in the appropriate Articulation Agreement.

## **Student Application for College Credit**

The procedures described in the CCS manual, **College Credit by Non-Traditional Means, Revised 2003**, shall be used by the student desiring college credit for high school courses.

Please Note: The intent of Articulation is to give recognition to professional/technical work completed in a high school program. Students are expected to enroll in the same professional/ technical program at the college. Most credits received are **not transferable** to a 4-year institution.

## **Steps for Receiving Credit by Articulation at Community Colleges of Spokane following Enrollment at SCC or SFCC:**

- Step 1.* **Notify your high school instructor** that you wish to receive college credit for your work in a professional/vocational program that has an ARTICULATION AGREEMENT with Community Colleges of Spokane.
- Step 2.* Work with your high school instructor **to meet the requirements** of the Articulation Agreement for your school. Your instructor will have a list of requirements or view the CCS website: <http://www.ccs.spokane.edu/Students/Articulation/>
- Step 3.* **Obtain a community college application** for admission from your high school counselor, college Admissions Office or web page at: <http://www.scc.spokane.edu> or <http://www.spokanefalls.edu>.
- Step 4.* **Complete the application** and remit with a \$15 non-refundable fee to Spokane Community College (SCC) or Spokane Falls Community College (SFCC) within 12 months of high school graduation. Applications are taken on a first come, first serve basis. Apply on or before December 1 of your senior year for the best chance to be accepted into the program of your choice.
- Step 5.* You will receive a letter from the Admissions Office regarding admission status. **Follow instructions in the letter in regards to testing, advising and registration.**
- Step 6.* **Complete 10 credits** with a grade of 2.0 in each class. Sometime during this quarter, notify the college program director of the vocational program that you will be using the Articulation Agreement.
- Step 7.* Make an appointment with a college instructor in the program you have chosen. This teacher will assist you with the **Application for Nontraditional Credit form #4020**.
