Program Description

Spokane Falls Community College and Eastern Washington University have created a seamless transition of courses for the student pursuing a Bachelor of Fine Arts (B.F.A.) degree.

This articulation agreement allows SFCC students who have attained a two-year Associate of Fine Arts (A.F.A.) in visual arts to transfer into the EWU Bachelor of Fine Arts (B.F.A.), a five-year program. The advantage for SFCC students in this program is it will only require two years of study at EWU for SFCC graduates to complete the 115 credits (largely upper-division) of the B.F.A. program. They can earn a B.F.A. in four years after the time they start at SFCC. This is possible because of the comprehensive fine arts curriculum offered at SFCC.

A.F.A. graduates from SFCC enter EWU as candidates for a Bachelor of Arts and then submit their portfolios for admission to the Bachelor of Fine Arts program. The B.F.A. is taken in the last three quarters of attendance at EWU.

PROGRAM GOALS

1. Complete a two-year fine arts foundation in preparation for transfer to EWU for a Bachelor of Fine Arts (B.F.A.).
2. Develop a portfolio for transfer to EWU, which will highlight the best work completed at SFCC, emphasizing originality, facility, and exploration.

* For A.F.A. transfers from SFCC to other colleges and universities, see the general career planning guide for A.F.A. program or contact the SFCC Art Department.

Career Opportunities

Careers available to artists holding bachelor and master's degrees are varied, exciting and rewarding. The A.F.A. offers the SFCC graduate a broad foundation to pursue either advanced education or a career in art.

Some specific career opportunities include art education, curatorial arts and restoration, art administration, art marketing and sales, art therapy, art history and criticism, art consultant, art paralegal, and freelance professional artist.
