ASSOCIATE IN BUSINESS

DIRECT TRANSFER AGREEMENT/MAJOR RELATED PROGRAM (DTA/MRP) DEGREE REQUIREMENTS

The Associate in Business (DTA/MRP) degree is a statewide articulated transfer degree agreement for business majors between the community colleges and most four-year institutions. The Associate in Business DTA/MRP degree shall only be granted to students who have earned a cumulative grade point average of at least 2.0. Students will enter the four-year institution at junior standing. Admission to Washington four-year institution's schools of business is not guaranteed to students holding a DTA/MRP degree. It is highly recommended that students meet with a counselor or academic adviser at Spokane Community College, Spokane Falls Community College or the Institute for Extended Learning on a regular basis to be sure that requirements specified in this degree are met. Students should also seek academic advising at the four-year institution to which they plan to transfer early in their educational planning to learn about additional requirements and procedures for admission. To earn this degree, students must complete 90 credits in courses numbered 100 or above. Courses must be chosen from the following specified distribution areas: communication – 10 credits, quantitative/symbolic reasoning – 5 credits, humanities – 15 credits, social sciences – 15 credits, mathematics/science – 20 credits, health-related and physical education/recreational and leisure activities – 5 credits, required business courses – 20 credits. **At least 5 credits must be W-designated (writing-intensive). At least 5 credits must be D-designated (global/diversity).** At least 30 credits must be earned from Spokane Community College or Spokane Falls Community College. At SFCC, all prior college-level credits and grade points are transferred for calculating total credits and GPA.

DISTRIBUTION Credits for a specific course may be used in only one distribution area requirement.
