Spokane Falls Community College
 3410 West Fort George Wright Drive
 Spokane, Washington 99224-5288
www.spokanefalls.edu

Completion Award: A.A. Degree

Start: Fall, Winter, Spring, Summer

Tuition and Fees

PROGRAM WEBSITE: <http://www.spokanefalls.edu/Academic/Music/>

Program Description

The Music program is designed to meet the needs of the transfer student, the individual who intends only to complete a two-year program and those wishing to upgrade music skills or increase general music knowledge for their own enjoyment.

The program offers courses which satisfy the core music requirements while fulfilling the general courses required by four-year institutions. Students should consult with a music faculty adviser to assist in the planning and successful completion of their program.

Opportunities to perform in vocal and instrumental ensembles including classical to contemporary and popular styles are available to all qualified students in and out of the program.

Course of Study

1. Complete A.A. degree requirements as listed on back.
2. Carefully check the requirements of the college to which you plan to transfer. If possible, complete these courses as your general education requirements while enrolled at Community Colleges of Spokane.
3. Completion of recommended courses in a pre-major for transfer does not necessarily assure a student admission to a four-year institution or a specific program.
4. Recommended courses in your program of study that you should consider completing while in attendance at Community Colleges of Spokane:

FIRST YEAR		Credits	SECOND YEAR		Credits
MUSIC 101	Music Theory I ¹	5	MUSIC 201	Music Theory IV ¹	5

College Transfer Information

While students attend college for a variety of reasons, most attend for the purpose of acquiring the knowledge and skills needed for entering a particular field of work, occupation or profession.

Because the first two years of college are frequently spent meeting general college or university requirements, many options are available to students who plan to complete their freshman and sophomore years at SCC or SFCC.

Students should always check the requirements of the four-year institution from which they intend to graduate. Careful planning is necessary, as transferability of specific courses or programs is determined solely by the college to which the student transfers. Transfer guides, available in counseling centers at SCC and SFCC, should be consulted by all students planning to transfer.

Students who have not made a decision regarding a transfer institution should follow the Community Colleges of Spokane requirements for the associate of arts degree. These requirements will satisfy most of the general course requirements for graduation from other institutions. Requirements for the associate of arts degree and a complete listing of courses available will be found in the college catalog.

Counseling Services

Educational, vocational and personal counseling services are available to all students through the counseling centers at SCC or SFCC. Students may obtain professional counseling services prior to registration to plan their program of study. In addition, faculty advisers are assigned to each student to provide further assistance during the year.

ASSOCIATE OF ARTS (A.A.) DEGREE REQUIREMENTS
