If you are on HOLD, or in REPAYMENT status, you are not eligible to receive financial aid grants, loans or work-study.

If **exceptional and/or extenuating circumstances** prevented you from making satisfactory progress, we can review the termination of your financial aid if you submit this completed petition. **If you have submitted a petition in the past, you must see an academic counselor and attach both your schedule for the coming quarter and a list of classes required to complete your program.** Please initial _____

NOTE: Even if your petition is approved, you may still **not be eligible** to receive aid if you owe a repayment to a Federal or State aid program. You must repay your debt in full prior to complete approval of reinstatement.

If your petition is **denied**: A student who pays for a quarter with an enrollment level of at least half-time (6 credits) and receives at least a 2.0 G.P.A. in all credits attempted would return to a probationary status and may be eligible for financial aid. (Classes **must** be required for your program).

Remember, this document is the only information the appeals board has to make a determination. Be clear and thorough and attach appropriate documentation.
Please initial _____.

You must complete the other side of this form.

*** You will be notified of the results in writing when your petition has been reviewed.**
